Qualitas Training have produced a work based training course culminating in the award of a QUALITAS Diploma in Quality Management. It is ideal for all those involved at a strategic or operational level in implementing Quality Management and process improvements and who wants to achieve professional recognition as well as benefiting their organization.

A taste of what you'll discover and learn

- **Module 1** The concept of Quality
- **Module 2** The basics of Quality Management Systems
- **Module 3** A Quality Management System for your organisation
- **Module 4** Understanding and controlling your business process
- **Module 5** Continual improvement
- **Module 6** Understanding the ISO 9001 Standard
- **Module 7** Consolidation and Reflection
- **Module 8** People - roles and relationships in a Quality organisation
- **Module 9** Documenting a Quality System
- **Module 10** Managing Registration Projects
- **Module 11** Cost savings, increased profitability and other benefits of a successful Quality Management System
- **Module 12** Beyond registration

We all seek "quality", whether in the course of doing business, or in our daily lives.

The management systems standard, ISO 9001:2008 & ISO 9001:2015 is covered comprehensively in the context of the broad application of Quality Management. The novel approach to the standard will identify benefits for both "registered" and "unregistered" organizations

Who should attend?

This distance learning quality management training course has been designed for everyone that would benefit from a broad understanding of what ISO 9001:2008 & ISO 9001:2015 is, how it will impact on their role and the benefits that should be seen from adopting its principles.

How will I benefit?

- Enhance your career development
- Contributes towards CPD
- Achieve a professionally recognised Qualitas qualification
- Help your organisation improve its performance & customer satisfaction
- Provides an introduction into Quality Management systems
- Feedback from Qualitas tutors

What will I learn?

- Enable you to structure your quality management system
- Show how to manage the cycle of continuous improvement
- Enhance your knowledge & application of quality management tools

Call Us For More Information About Course Fee ?

Duration ?

- Suggested duration (for completion) of the course is up to 9 weeks
- Course should be completed within (maximum) 3 months

YOUR QUESTIONS ANSWERED

What is the qualification?

Upon successful completion of the course you will be awarded "The QUALITAS Diploma in Quality Management", which is equivalent to an NVQ level 3 course.

What does the course aim to do?

You will need to successfully complete the questions and exercises based on the course. You will perform exercises involving individual work as well as team-work with colleagues and your organisation. You will be required to submit your responses to the questions and exercises for assessment by your QUALITAS tutor as you work through the course. You should be able to complete the course in a maximum of 9 months, and with a minimum of 90 hours' study. You will be free to allocate your time to the course to suit yourself. You will be allocated to one tutor who will see you through the course. A tutorial support/helpline and e-mail address will be available for queries and help.

What's included in the study kit?

- Cover letter welcoming the delegate
- USB stick with all course materials (as per modules)

Qualitas

Certification Ltd.UK

The QUALITAS certification mark may be used on your stationery, literature and vehicles when you have successfully achieved certification and conform with applicable guidelines. The mark shall never be applied directly on the product or service.

QUALITAS LEARNING – managing your distance learning

How do i apply?

E-mail us on: info@qualitascert.co.uk

or call us on :

Sweden: 00467 294 154 88

Dubai: 00971 505 583 550

Lebanon: 00961 71 745 029

Submission of assignments

Modules should be submitted in line with your agreed study plan. While the dates of submission are not fixed, it is essential that you advise your tutor if you are not going to meet them. Tutor time will have been allocated to review your submissions and this will need to be reallocated without delay. Where the tutor requires re-submission of the modules, the study plan will need to be amended accordingly.

Feedback

QUALITAS will provide you with feedback from the submitted assignments within two weeks of your agreed submission date.

If for any reason the duration will be longer than two weeks you will be notified accordingly.

Administration and maintenance fees

There is no administration fee associated with the course. The advised duration for course completion is nine weeks.
